Second War Loan Begins April 12

ROCKDALE BANKER IS VICTORY BOND HEAD

T. B. Ryan, popular and widely known Rockdale banker, is chairman of the Victory Bond Sale which will begin in Milam county and over the nation on Monday, April 12.

Mr. Ryan, Active President of the Rockdale State Bank, is co-chairman with Emory B. Camp, head of the War Council. Both are linked in a co-operative effort to organize the county and to push the sale of these securities.

In Cameron business men are sponsoring a page ad in the Herald to run two weeks giving impetus to the sale and calling attention to the exceptional investment advantages of war bond buying.

Mr. Camp said shortly after noon Thursday that the Lions Clubs were being used as a medium for stimulating sales and for meetings of the workers.

Milam county banks will be expected to take a large share of war bonds as they did in the last campaign.

It should be remembered that the 13 Billion War Loan for April is in addition to the bonds you may now be buying. You will be expected to subscribe liberally to the April issue which is absolutely necessary and vital to the conduct of the war.

Reports will be made from time to time through April on the progress of the bond sale.

MRS. R. R. TYSON DIES AT HOME IN AUSTIN

Mrs. R. R. Tyson, formerly of Cameron and Maysfield, died Wednesday at her home in Austin.

Funeral services were held at the Southern Presbyterian Church in Austin Thursday afternoon with interment in Austin.

Mrs. Tyson was the widow of the late Randolph R. Tyson, former member of the Legislature from Milam county, and widely known figure who died some years ago at Maysfield.

Before her marriage she was Miss Jennie McGuire. The family lived at Maysfield. From Cameron the family moved to Austin.

Keeps 'Em Flying

TECH. SGT. AUGUST MORAW

With six years service in the air corps of the United States Army, Tech. Sgt. August Moraw, has an excellent record and keeps 'em flying as a valuable man in the mechanical division of the air corps.

Sgt. Moraw is now at an air base near St. Petersberg, Fla., a mechanic with an important job to do. He volunteered in 1937 and went to Chanute Field, in Illinois where he spent 8 months taking the course. From Chanute he went to Langley Field, Va., then to Barksdale Field, La., and from there to the west coast at Hamilton Field, Calif. He was at this base for 2 years.

When war came he was sent to North Carolina and then to another base in South Carolina. At present he is near St. Petersberg, Fla.

On January 11, 1941 he was married to Miss Velma Plachy of Splawn near Cameron.

Tech. Sgt. Moraw is a graduate of Yoe High School in Cameron and attended Tarelton College at Arlington and from the college he volunteered for the Air Corps.

Seth Moseley of Splawn Is Father Of 25 Children

Seth Moseley of Splawn is the father of 25 children, the latest twin daughters born Friday, March 26th at the Cameron Hospital and the only twins in the entire number of children.

Mr. Moseley is 66 years of age.

He was in the Herald plant Wednesday morning to make a correction in the published story of Tuesday in which it was said 24 children had been born to Mr. and Mrs. Moseley.

Mr. Moseley was married twice. Mrs. Moseley of their first marriage was Miss Alma Baird of San Gabriel and Mrs. Moseley of the second marriage was Miss Pearl Crow. Of the first marriage 19 children were born, seven of whom are living, five girls and two boys and of the second marriage six children were born, only two living, the twin daughters born on March 26.

Mr. Moseley is a native Texan, born at Floresville in Wilson county. As a small boy the family moved to San Gabriel where he was reared and where he married Miss Alma Baird.

Home Is Destroyed But Baby Saved by Mother Here Tuesday

The home of Mr. and Mrs. Fred Neal was totally destroyed by fire early Tuesday afternoon.

The youngest of the children, a baby, was rescued by the mother who was busy in the yard when she looked up to see her home in flames.

The fire was caused by the explosion of a gas stove. All contents of the home were destroyed.

It was the second such fire in Cameron in recent weeks but no deaths occured. The father, Fred Neal, who works at Camp Hood learned of the destruction of his home and the near death of the child, upon return to the city late Tuesday.

The family was destitute because everything was lost. The mother works at night in a Cafe. Friends were obliging them greatly by seeking aid and any help the people wish to extend will be received and accounted for by the Daily Herald.

African Invasion Film Real War Show

You can take a tip from Rotarians and their guests on the picture "At the Front In North Africa."

The members of the club and guests were entertained by John Prude at noon Wednesday in a special showing of the great war film to open for a two day run at the Theatre on Thursday, April 1.

The picture is in technicolor and the real battle scene account of the progress of American arms in North Africa.

Thrilling air battles and actual scenes in a tank battle in a small valley inside the Tunisian border climaxes this 45 minute long feature which is to supplement the picture "Silver Skates." It is the only real fight picture ever shown here.

Mrs. George Hooker of Marlin is planning to spend a few days with her children, George and Mr. and Mrs. C. S. Greenless and sons, Joe and Sydney.

TIODORO YBARRA FOUND DEAD SUNDAY MORNING

Tiodoro Ybarra, 25 year old Mexican resident of Cameron, was found dead on the tracks of the Santa Fe Railway in the city shortly afer 5 a. m. Sunday.

The body, entirely severed was found on the tracks. The head and upper body lay about 6 feet away from the legs and hips.

The body was found by Mr. Dusek, operator in the signal and telegraph tower. He had gone a few minutes before to the passenger station to sell tickets and on his way back he found the body.

A southbound Santa Fe passenger train came into the yards only a few minutes after Dusek left the tower.

W. DuBois, the Santa Fe Agent, notified of the finding of the body, called Womack Brashear, Justice of Peace and an inquest was held. Mr. Brashear said he found the body, severed, with each portion about 6 feet apart.

Mr. Brashear has not rendered a verdict in the case. He arrived at the scene about 6:30 and shortly after he arrived Sheriff Carl Black also reported.

Ybarra was the son of Mr. and Mrs. Tiofilo Ybarra whose home is only a short distance from where the body of their son was found. It was presumed here that he was on his way home when he met death. The body was found on the crossing near the Santa Fe stock pens. A watch in the pocket of Ybarra was so flattened that it resembled a large washer although the ouline of the works were discernable. A penny flattened to twice the size of the original was also found.

The body was taken up by the Green Funeral Home. It was understood funeral services were held Sunday.

THOMAS B. SPROTT IS BURIED AT DAVILLA

Thomas B. Sprott, 64, died at his home at Davilla at 11 a. m. Friday, March 26, 1943.

Funeral services were held there at 4 p. m. Saturday, March 27, 1943, at the Davilla Methodist Church with interment in the Davilla Cemetery.

Mr. Sprott died suddenly. He had not been in good health. A heart attack was said responsible for his sudden death.

Mr. Sprott was a native of North Carolina. He came to Texas with his parents when 2 years of age and was the eldest of a family of 10 children, eight of them boys.

He had been a resident of Davilla for the past 35 years and until about a year ago conducted a milling business there. On May 12, 1901 he was married to Miss Nancy Eleanor White.

Surviving are his widow and two sons, Jack H. Sprott of Temple and John Sprott of Dallas. Eight brothers, two of whom are dead are as follows: Julius Sprott, who died in 1918; Jim Sprott and Charles Sprott of Okla.; J. F. Sprott of Robstown; Jack Sprott who died in 1922; and Mack Sprott of Okla. Two sisters survive as follows: Mrs. John Mills of Oklahoma; and Mrs. Myrtie Lively of Belton.

Hunting Knives Are Given For Jungle Warfare by Citizens

The first bunch of hunting knives, donated by local citizens for our soldiers in jungle warfare, were shipped today by your committee chairman, express prepaid.

This shipment has been delayed due to ascertaining through the California Salvage Committee of the WPB whether the address first given had proper authority to receive them

Our government expects all donations for war purposes to reach its proper place, and it is our patriotic duty to demand it.

S. E. BROGDON.

News has reached Cameron of the death of Mr. Bennett, father of Raymond P. Bennett. The funeral was held in Mart Wednesday afternoon at 4 o'clock, with interment at Mart. No further particulars have been learned.

Mrs. Sam Deer left Tuesday for a few days visit in Marlin with her mother.

SHERIFF AND EX-SHERIFF

Pvt. Valter T. White, 235th Mp Co., Camp Maxey, points to the badge he used to wear as sheriff of Milam County, but Mrs. Sarah T. White, who is filling her husband's unexpired term places more faith in the pistol and handcuff than the badge. Mrs. White is here for a 10-days' visit with her husband, and the couple are staying with Red Burks, Lamar County sheriff.

Former Sheriff Valter White At Camp Maxey Near Paris, Is Now Private White; Newspaper There Gets Good Story As Mrs. White Arrives

A sheriff now and then collected by the armed forces has long since ceased to be a novelty but when they get too numerous in one camp, especially when one of them is a woman and real sheriff it makes news and is novel.

So the Paris Morning News has a bit to say on the occasion of a recent visit there of Sheriff Sarah White of Milam county whose husband is Pvt. Valter White and former Sheriff. A photo of the two will be published next week. Meanwhile we bring you a bit of interesting reading about these interesting people.

The Paris Morning News says:

The neighborhood of 184 S. 30th

And one of the sheriff's is a woman.

When Sheriff Valter T. White of Milam County was inducted into the Army Jan. 2, 1943, the commissioners appointed his wife to fill the unexpired term.

When Mrs. Sarah T. White, or rather Sheriff White, came here last week for a 10-day visit with her husband, who is in the 235th MP Co., at Camp Maxey, the couple found lodging at the home of Reb Burks, Lamar County sheriff.

So that accounts for two sheriffs and one ex-sheriff all under the same roof.

Mrs. White is not the first woman sheriff in Texas, but she's the first for Milam County.

"I'm glad she received the appointment," declared Pvt. White. "With her efficient deputies, she can carry on the job just as well as I could."

In the movies women have been known to round up gangs of bad men single handed, but Mrs.White reports her duties have been light thus far. Her job consists mainly of running the office, while two deputies tend to the filed work."

"A large number of Milam Countians have entered the service or taken jobs in the war industry, making our job easier," Mrs. Sheriff White explained.

However, lawbreakers need not expect a soft touch in Milam County. For when asked to pose for a picture holding a pistol, Mrs. White showed she knows how to handle a "gat."

RED CROSS QUOTA IS REACHED WEDNESDAY

The quota for the American Red Cross War Fund Drive has been reached, F. G. Blake, chairman reported to the Herald at noon Wednesday.

In all $7433 has been reported making $33 more than the quota set for the county. Other reports are to be received and the quota will be well exceeded.

County Trustees to Be Elected Saturday

Election of trustees in the various school districts of Milam County and also two members of the county Board of education will be held Saturday.

Tickets and election supplies have been delivered by the county. In many places there was no opposition and blank ballots were sent out.

George Deer, who is working in Houston, recently visited his parents, Mr. and Mrs. Sam Deer over the week end.

FRANK REID RUNS FOR SCHOOL TRUSTEE

Announcement was made public today that the name of Frank Reid was filed Saturday with the Secretary of the Cameron Independent School District as a candidate for trustee.

This announcement has been received with much enthusiasm and encouragement by the patrons and tax payers of the Cameron Schools.

It has been pointed out that Mr. Reid's election will bring harmony to the Board, restore confidence of the patrons, assure a high type business administration of school affairs, and provide the school children of Cameron with a kind of educational opportunitits they are entitled to receive.

Being a trustee is not new to Mr. Reid. He served as trustee of a rural school district of McLennan County for a number of years. This experience would prove invaluable to the Cameron District in establishing wholesome relations with the small neighboring districts that send their children to the Yoe High School. The district he formerly served maintained an elementary school and sent their high school children to the Waco High School.

Mr. Reid is a native of Cameron and the son of F. F. Reid a pioneer of Milam County.

Frank Reid is a product of the school system of Cameron and is enthusiastic in his desire to aid in its improvement. He is the father of two young children, one of whom will soon be in school, and he will have a personal interest in the elementary school.

To the patrons of the Cameron Schools Mr. Reid says, "the best of educational opportunities for all our children is none too good."

Mr. Reid has always shown an interest in civic affairs. He is a World War 1 veteran, having served in the Navy. He is a member of the Cameron Christian Church and is now serving as Chairman of the board.

PORK CEILING PRICES BLOW AT BLACK MARKET

Special maximum prices for pork quotas announced by the Office of Price Administration and effective April 1 are expected to deal a blow to black market operators, relieve many retailers from a price squeeze and insure everyone his fair share of available supplies, according to Sam Perry Chairman of the local War Price and Rationing Board.

Official price lists will be posted by all meat dealers may obtain their lists from the local War Price and Rationing Board if their stores are in general classes 1 or 2. Such markets are those whose sales volume in 1942 was less than $250,000. Chain stores and large independents will receive their price lists directly from Washington.

Specific maximum prices in dollars and cents set exact ceiling prices per pound for 66 principal pork cuts. Dealers are required to post their prices on cuts in the show cases so that shoppers may know at a glance how much any butcher may charge for any cut.

"Maximum prices are the highest prices any dealer may charge," said Mr. Perry, "and OPA officials emphasize that any dealer may sell below ceilings at any time."

The regulation divides the country into 11 zones, each zone having two sets of ceiling prices for all cuts. All Texas is included in zone 4. Slightly lower ceilings will prevail in stores whose 1942 sales volume exceeded $250,000. These stores are classed as 3 and 4. Official price lists available to retailers include all necessary instructions and are in the form of OPA Bulletin No. 21 for stores in classes 1 and 2.

Health Clean Up Week

Governor Coke Stevenson has issued a proclamation asking the observance of the week of April 4th to April 10th as Health and Clean-Up Week.

We urge that this annual clean-up should be conducted to remove fly and mosquito breeding places, help eliminate the spread of other diseases and prevent fires. No doubt a vigorous clean up will also yield much material that will be valuable to the war effort.

This effort to be successful depends upon each one of us to do his part.

GABES BIG SEA BASE OF ROMMEL IS TAKEN

The British 8th Army has captured Gabes on the sea, one of the principal supply bases of the army of General Rommel.

Offshore the British fleet poured destructive fire into the ranks of the ousted German army now in full flight to the west.

The American army under General Patton was nearing a juncture with the British to pocket up a portion of the Axis army left behind to defend the Mareth Line.

General Eisenhower said the puncture was imminent. Through a nearby pass the Germans were escaping early Tuesday in a dust storm but clearing weather made it possible for the air forces to get in their work and Axis equipment was wrecked and blasted, along with the retreating enemy.

The British took 8000 prisoners. The fall of Gabes will now force Rommel into the open plain.

If he effects juncture with General Arim to the west the whole of the remaining Axis army will be concentrated at Tunis and Bizerte. In the House of Commons Tuseday Winston Churchill said that much hard fighting lies ahead.

The Nazi lost 17 planes and the Allies lost 8 in the violent battles over the fleeing Rommel army.

The British 1st army also took 1000 prisoners in their operations Tuesday.

Berlin has been subjected to an additional air raid as well as the Ruhr Valley and the British lost 33 bombers in the night attack.

Prelimiary reports on the British raid says destruction was wrought.

The Red Army was pushing on toward Smolensk and have beaten back German attacks at Kharkov.

Rotarians to Get a Break Wednesday

Members of the Rotary Club will get a break Wednesday on the program for they will be guests of John Prude at the Cameron Theatre for a showing of the picture "At the Front in North Africa."

The members and their guests will go to the Theatre from the Luncheon room. The picture opens at the Cameron Theatre on Thursday April 1.

Lt. James Stewart was in Cameron Tuesday morning on his way to March Field, California. He has been in Florida in training. He is a flyer in the United States Army Air Corps.

In Military Police

PFC. HAROLD M. BUFFINGTON

Pfc. Harold M. Buffington is now stationed at Brookley Field, Mobile, Alabama, where he is in training for service in the Military Police of the army under the Department of the Provost Marshal.

Pfc. Buffington is the son of Mr and Mrs. A. B. Buffington of Ad Hall and the grand son of Mrs. W. M. Price of Cameron.

Pfc. Buffington graduated from Yoe High School in the class of 1939. He left Cameron on September 10, 1942, for San Antonio where he was inducted into the military service After three days he went to Camp Lee, Va., and spent 2 months there and was sent back to Camp Normoyle in San Antonio. This camp is an Ordnance Motor Base. On February 6th he was sent with the 308th Field Artillery to Camp Butner, North Carolina and from there to his present station.

He is training for overeas duty with the Military Police. He is 22 years old. He has never missed a copy of the Herald since he has been in the army and always enjoys reading the home news.

MONTGOMERY SCORES HIS GREATEST VICTORY

The British 8th Army under General Montgomery has breached the Mareth Line on a 25 miles front and the feat of arms was praised as the greatest victory of the North African campaign.

The military value of the thrust was applauded because the British are now driving spearheads into the diminishing corridor of General Rommel who has begun a retreat.

The flanking movement around the south end of the Mareth Line was said responsible for the success of the 8th Army's thrust.

Rommel is in retreat. The feat of the British was said the greatest victory of the war because it means that the end is in sight in North Africa.

A noon message said that Rommel's army is in full retreat.

This came on the heels of a report from London that Germany had taken over the Italian navy. It was thought an attempt may be made to run reinfocements to the Tunisian bridgehead. No thought was given to the possibility of an attempted rescue of the Rommel army as Hitler has already ordered his Axis legions to fight to the last man.

The cities of Mareth and Madenine were captured in the 25 mile break through and 6000 of the crack troops of Rommel were taken prisoners.

The Allies are now pushing toward Gabes. Here the Nazi are plowing up the air fields to prevent their use by the United Nations aircraft. The city of ElHamma has also been taken by the British.

There was no way to tell just where the Americans are in this past 48 hour engagement. General Montgomery, one of the most brilliant military leaders of this war, was praised for his feat. It is his greatest victory, notwithstanding his rout of Rommel from the gates of Cairo.

The Nazi have lost heavily in men killed and in equipment lost, said the report.

There still was no announcement regarding the destructive air raid over Berlin, but it was said to be the most terrific air assault of the war.

In the South Pacific American airmen under General Douglas MacArthur shot down 25 Japanese bombers out of 40 which came over to attack American positions in New Guiena.

The Reds have advanced to within 32 miles of Smolensk.

The Americans have won a naval battle in the Aleutian Islands.

W. R. Frazier of the Silver City Community was in Cameron Saturday and a visitor at the Herald office. He is a reader and has ordered the paper for his daughter, Miss June Frazier in Austin.

$6800 IS TOTAL HERE IN RED CROSS DRIVE

The total in the War Fund Drive of the American Red Cross for Milam county was $6800 at noon Monday according to F. G. Blake, director.

Mr. Blake said that the amount set out above is in the banks and indicaions are that additional funds are in the hands of the committees which will bring the total sum to equal the quota of $7400. He believes the quota will be reached by April 1.

A thermometer will be placed on the court house square near the Milam Monument to indicate the daily rise in these funds.

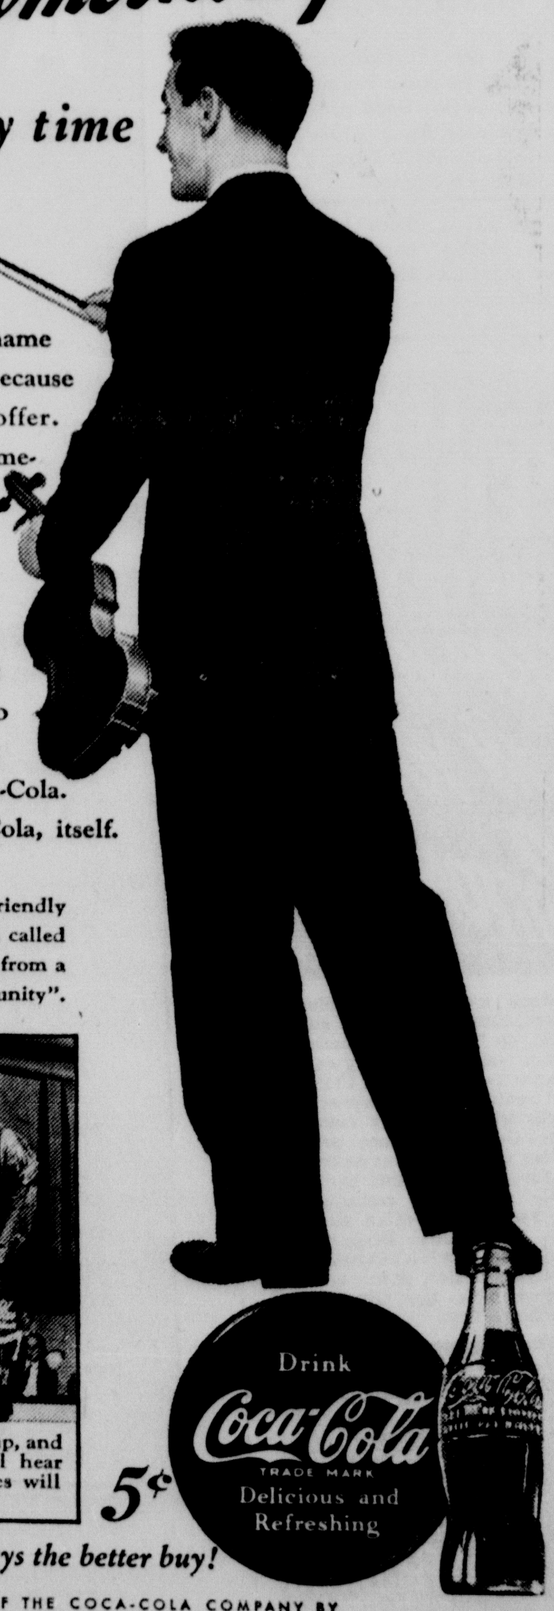
. . . You can spot it every time



"SPOTLIGHT Bands", the radio program broadcast over Blue Network every week night for Coca-Cola, features the nation's favorite name bands. Their names mean something because their bands have something extra to offer. Coca-Cola got where it is by offering something that more than quenches thirst. It brings a delightful after-sense of refreshment, too.

In ice-cold Coca-Cola you find quality you count on. You find delicious taste that sets it apart. You find refreshment that goes into energy. Anybody can make a soft drink, but only The Coca-Cola Company makes Coca-Cola. The only thing like Coca-Cola is Coca-Cola, itself.

* * *

It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called Coke. Both mean the same thing . . . "coming from a single source, and well known to the community".

Lines are put in, stages fixed, loudspeakers hooked up, and rehearsal begins. Soon, the boys in uniform will hear their favorite band in person just as their families will on their home radios.

ARMY IS COMING TO GET MILAM CO. SCRAP

The South has again been placed on its honor.

During the hard winter months, which so badly handicap those in the North and in the West, the great shortage of scrap metal in the steel mills must be overcome by combing the vast farm and country acreas of the South.

The Army needs your scrap metal I cannot impress upon you too strongly the vital necessity of your complete and whole-hearted co-operation with our Armed Forces.

Nothing other than plain simple facts can bring home to you the part of each and every one of you can play in the road to victory. And these are the facts:

Production experts have informed us that 1943 will require one hundred million tons of steel for our war effort. Approximately half of that steel is scrap with the large mills using over one hundred and fifty thousand tons of scrap metal a day.

The average peacetime consumption of scrap is twenty-three million tons a year. Surely you can understand how urgent and important it is to contribute all your scrap metal to the Army when you realize that this year we must produce *more* than four times the amount ordinarily used. We need more tanks, more planes, more ships, more guns, more of everything.

You must consider that this scrap material is not to be used for our Armed Forces alone, but also for our valiant Allies, England, Russia, China and the undaunted, hard fighting free governments in exile, who are contributing so much to bring about the downfall of our enemies.

All of you can do your share toward the winning of the war. Explore your immediate vicinity, your farms, households and grounds, collect and gather up anything and everything that looks like scrap metal.

Pile up your scrap metal. If its too heavy leave a note outside your mail box. The Army will come in and move it.

WAR IN NORTH AFRICA IS REACHING CLIMAX

The largest number of 4 motored bombers ever to take to the air in one raid blasted the ports of Sardina across from the battle scene in North Africa yesterday in what was believed the opening phase of an effort to keep the Germans from escaping from Tunisia.

News accounts of the blastings said that 14 enemy planes were shot down and 50 enemy planes detroyed on the ground in the air port on Sardina.

Assembled in one of the harbors were a number of merchant ships and smaller craft. Reports indicated the Germans may be preparing for a Dunkirk and are reported to be pressing the French for ships. London said that German crews are aboard Italian warships.

Meanwhile the old desert fox, Rommel, craftiest general of the war, was running away from the British. There was still some doubt about the position of the Americans in the fight. The British 1st army was bearing down on Rommel from the west.

Military experts believe Rommel will make a stand and soon as he moves northward under attack from land, sea and air.

In Washington Secretary of War Stimson said that a long and bloody battle may be in progress and cautioned the American people not to expect victory in Tunisia soon.

Italy has disclosed a new mobilization law. Commentators say that Italy now feels the invasion is certain to come from the South.

Hitler was reported moving frantically to bolster all defenses from Turkey all around the coast of Europe to Norway.

The Red army is 42 miles from the Kerch Straits and have gained appreciably as the sun dries out the ground in the Donets region.

Over in the South Pacific the war was confined to air raids on far Jap bases by United Airmen.

In the blasting of Sardina all American planes returned safely to their bases.

WITH THE BAPTISTS

Tonight the regular monthly session of the Baptist Brotherhood meets and all men are invited. We will hear the pastor of Rosebud, Rev. Hambrick.. This is an invitation and appeal that is calculated to bring a fine group of men together. A fisherman wrote:

In Springtime

"I sometime drop the fish a line
But can't deny
These little overtures of mine get no reply."

Come on men let us get in for a good program of fellowship and work. For days we have been planning this meeting for you.

At War Department

SGT. CLYDE M. STEWART

Sgt. Clyde M. Stewart is employed at the War Department in Washington while finishing his training at Fort Meyer, Va.

Sgt. Stewart has been promoted from the rank of Corporal. He is a native of Milam county, born and reared at Milano and graduated from the Milano High School and played football. He is a brother of Lt. James A. Stewart now at March Feild, Calif., and in the Army Air Corps as a pilot. Both are sons of the late Mr. and Mrs. James A. Stewart of Milano.

When he enlisted in the army he was soon sent to Fort Meyer where he received his basic training and worked in one of the offices at the War Department in Washington.

VICTORY FOR ALLIES MEANS HARD FIGHT

The plight of General Rommel's army in Tunisia is grave.

Berlin admits the situation grows worse but there is much hard fighting to be done.

The action thus far which was climaxed by the breaking of the Mareth Line had to do with a minor force of the Axis army. The main body of the Germans are centered at Tunis and Bizerte and here the last bloody chapter in the long African war will be enacted.

The Axis army is not broken, but badly mauled and beaten in stiff fighting along Eastern Tunisia.

General Rommel was able to escape the trap which was to be sprung by General George Patton's American army thrusting north to the sea.

General Rommel is in full retreat and the only fighting was stiff rear guard action. The bloody battle in which casulties will be high is yet to be fought.

The Germans have accepted the bombings over Europe and Germany as a prelude to an invasion of the continent.

It was not likely the invasion would come until later. The Allies may strike at several points.

ARMY TO BEGIN SCRAP COLLECTION MAY 1ST

About May 1st, officers, soldiers and trucks from the United States Army will start a scrap collection in Milam County to gather the materials badly needed to keep up the production of planes, tanks, guns and bullets for our boys at the fighting fronts.

The government is asking you to donate your scrap to the war effort The trucks will cover every mail route in Milam County. Pile your scrap near the mail box and the trucks will pick it up. If it is impossible for you to move the scrap to the mail route, or you have pieces too heavy for you to move, put a note on the outside of the mail box directing the soldiers to your farm and they will go after it.

If you fail to see a member of the Army force, please notify S. E. Brogdon, County Chairman, phone 582, Cameron, Texas, of any scrap anywhere in the county.

Your Government wants every pound of old scrap iron or steel in fact every metal you have.

Let's put that scrap in our mouths in the fight.

From where I sit . . .

by Joe Marsh

"Well," says Judge Cunningham. "I see they've got it!"

"Got what?" I says.

"Look," beams the Judge. And he pulls out an article about a special kind o' lie detector—an "alcoholometer" they call it.

When a fellow gets haled into court for doing mischief, and blames it all on a "couple of beers," this scientific machine proves whether just a "couple of beers" is really the true answer.

And o' course it isn't. Because a couple of beers, enjoyed with friends, is a way people keep out of trouble, not get into it!

From where I sit, I certainly agree with the Judge. The fellow with the alibi about a "couple of beers" is reflecting on good citizens everywhere who enjoy a quiet glass of beer with their meals—sittin' with their friends or just relaxing after a day's work. Moderate folks like that are entitled to consideration.

Lavish Ice Spectacle And War Picture at Cameron April 1 and 2

The greatest company of skating stars ever assembled in a single motion picture, in addition to an acting cast of screen favorites, comes to the Cameron Theatre on April 1 and 2 in Monogram's dazzling ice spectacle, "Silver Skates."

Heading the specialty perfomances is blode, statuesque Belita, ice ballerina who is recognized as the world's outstanding feminie figure skater. Kenney Baker and Patricia Morison appear in the principal acting roles, and with Belita make up the romantic triangle in the story. Other skating luminaries are Irene Dare, youthful prodigy who has already been starred in her own right in ice pictures; Frick and Franck, Swiss wizards of off-balance locomotion, and the leading comedy team of the ice; Eugene Turner, skating partner of Sonja Henie in her latest picture; Danny Shaw, George Stewart, Jo Ann Dean and many others, including a skating ensemble of 36 of Hollywood's must beautiful girls.

Supplementing the film, "Silver Skates," the official War Department feature "At the Front in North Africa" is to be shown Thursday and Friday. This picture is an actual battle scene of the Invasion of North Africa and a 40 minute show. So Thursday and Friday will approach an all time bargain period at Cameron Theatre.

In the story the well-meaning Baker, in his efforts to keep an ice show from bankruptcy, becomes engaged to both its owner and its star performer, and the action terminates in an unexpected climax. Hilarious comedy characterizes the entire story, and several new hit songs are sung by Kenny Baker, noted radio tenor.

During the progress of the story. Belita and other skating stars are the centre of a series of breath-taking ice ensemble numbers which represent the ultimate in grace and beauty. The solo numbers of the fascinating Beltia represent a new high point in skating skill as shown on the screen, and furnish the reason for her standing as "queen of the ice."

A. N. GREEN REPORTS ON THE LEGISLATURE

Representative A. N. Green was home Saturday from Austin and was reporting to the people on the progress of the Legislature. He has been a member of the house since 1941, and now serving his first full term.

Mr. Green has pledged as a part of his service to combat what he terms as bad legislation. Two notable examples came to light last week and Mr. Green took up the fight for the interest of Texas and especially Milam county.

One of the bills proposes tax exemption for certain localities in the flood area of Freeport and along the Gulf lands. The bill proposed to take away the benefits accruing to Milam county under the Brazos Reclamation Project and apply the money to the area proposed for tax exemption.

It should be noted that while Milam county was due to share in these benefits only if the Brazos Project were completed. Unfortunately nothing was ever done. In the original bill Milam county was the only county in the flood area not exempt from State Taxes.

Mr. Green feels the bill has been beaten and Milam county protected.

A new bill for redistriction of the Fifth and Sixth Judicial Districts of Texas was opposed by Mr. Green and Senator Kyle Vick with success. This bill would take Ellis county out of the Juresdiction of the Waco court area and transfer all cases to Dallas. The Records show that the court in Dallas has more litigation than it can dispose of.

The nigger in the woodplie was a scheme to create a new court and thereby name a new judge. Cases originating in Ellis county will continue to be under the Juresdiction of the Waco court and Mr. Green thinks the tax payers have been saved a great deal of money.

GIVES TO REYES FUND

Mrs. Ben McClellen of Minerva was in Cameron Saturday and called at the Herald plant to make a donation of $1 to the Reyes Family Aid Fund.

Mrs. McClellen has the thanks of the Reyes family for this donation and the money will be turned over to the American Legion for presentation to the family.

Louis Lewis of Rockdale visited in Cameron Monday.

E. L. MvGuyer of Rockdale was a Cameron visitor Thursday.

ROMMEL ON DEFENSIVE BEFORE MARETH LINE

The British advance into the Mareth Line has netted thousands of prisoners and General Rommel was on the defensive Saturday as the battle raged into its second week.

There was little to report from the American Army. General Eisenhower merely said the British 8th Army was making progress.

General George C. Patton was making progress despite fierce German counter attacks. A large portion of the army under Rommel on the central front is made up of Italian troops.

The Red Army was fighting under great handicap in the east but was holding the Germans on all fronts. Spring has come to the great white plains of Russia and the thaw is bringing mud.

Mrs. H. E. Crone of Rockdale was a Cameron visitor Tuesday.

Red Cross Total Stands at $6541

The total for the War Emergency Fund of the American Red Cross was announced by F. G. Blake, director, at $6541 Friday morning.

A statement is being prepared showing what each community by name has contributed.

Three area totals were announced this morning: Thorndale $966; Rockdale $1,130; Buckholts $700; Cameron $3745.

Jess Thompson Is Named Statistician

Jesse Thompson of Rockdale has been named statistician for the Department of Commerce for Milam county.

Mr. Thompson is a veteran of World War 1, and a prominent leader in activities among ex-service men.

Primarily his duties are to report cotton ginnings, a place formerly held by Ray O'Neill.

BRITISH CUT DEEP INTO MARETH LINE

A decisive battle on the outcome of which depends the success or failure of the Allies in Tunnisia has developed, its fury springing from a deep cut in the Mareth Line and the other phase of it involving a steady advance by two American forces under General George Patton.

The British 8th Army had plunged deeper into the Mareth Line and General Rommel, the German had thrown 80,000 men into the fight to stop the British advance.

Censorship was clamped down over the whole area.

In Washington Secretary of War Stimson said that heavy casulties will result from the first major engagement of the war in which the American soldier has taken part.

The Nazi appear to have lost some thing of their power in the fight now going on but military experts were careful not to underestimate the craftiness of Rommel.

The Americans are advancing steadily toward Gabes. If they are able to close the trap Rommel will be cut in two and a large portion of his army now engaging the British at the Mareth Line will be isolated.

The Red Army was slowly advancing on Smolensk and were reported in the noon communication to have beat off all new Nazi reinforcements on the Kharkov front.

There was encouragement from the Pacific. The Americans may be planning offensive action. Troop and ship concentrations and Rabaul have been bombed much in recent days. The Japs appear trying to guarantee their place in New Guiena.

Last Week for Taking School Census

This is to call to the attention of all parents and guardians of children of school age that each child should be enumerated on the scholastic census. All children six years of age and under eighteen years on Sept. 1, 1943 are of school age. Every year we find some children left off the census roll and this prevents them from being eligible for transfer or transportation, as well as being a loss to the district on the teacher-pupil load and the per capita apportionment of $22.50. Please notify your census enumerator or school principal if your child is not enumerated by April 1st.

All children who will be six years of age before September 1, 1943, should be enumerated.

THE BULL THAT WILL NEVER GET TO AMERICA

His name is Rajah of Oaklands. Last we heard of him, he was on the Island of Jersey, a little spot of land in the Channel between France and England.

He's a great bull and breeders over here wanted him. He probably would have been imported except that one day the devils that "Heil Hitler" gobbled up the Channel Islands. Where is the bull and the fine Jersey cattle? Fate unknown. And the people—everything that they have labored for is in the hands of a devouring Germany.

This story repeats itself again and again in the wake of Axis conquest. We must remember it in the coming weeks and months in so many, many ways. One of the ways is by buying U. S. War Bonds.

You buy Bonds today for two important reasons. First, to help your Government win this war. Second, to help yourself. For they are an investment that never depreciates in value. They *increase* in value every year up to maturity, when they pay a third more than original cost. And you can always cash them any time after sixty days if you want to. *Buy Bonds*—at your bank or post office.

MAKE EVERY MARKET DAY BOND DAY

The 2nd War Loan Starts APRIL 12

13 Billion Dollars Must Be Raised

THE GOVERNMENT of the United States is asking us to lend it 13 billion dollars in the next few weeks. We can do it. And we must do it. Every American must realize the truth:

In this, our toughest war, we're made a good start. We've trained a lot of men—made a lot of weapons—built a lot of ships.

But it's only a start. No man or woman among us would contend for a single instance that we're doing enough now to win this war!

We've Got to Build More!

We broke all records building 8 million tons of shipping last year. But grim-faced Army and Navy men will tell you that the 18 MILLION tons we're building this year still won't be enough!

We've Got to Fight More!

From now till this war is won, America must be on the offensive. In ever-increasing numbers, your sons, brothers, husbands must go into actual battle. Our losses have already begun to mount—and they will not grow less

And We've Got to Buy More War Bonds!

Sure we're all buying War Bonds now. But we've got to help pay for our increased fighting and building . . . We've got to match, as best we can, the sacrifice of those Americans who are toiling and sweating on a dozen battle fronts—with the bloodiest yet to come. The blunt fact is this: to keep our war machine going, we've got to dig up 13 billion extra dollars this month. 13 billion dollars over and above our regular War Bond buying!

In the next few weeks you may be visited by one of the thousands of volunteers who are contributing their time and effort to this Drive. But don't wait for him. Make up your mind now that before this drive is over, you're going to march right down to your nearest bank, Post Office, or place where they sell War Bonds, and do your duty. And don't ever forget this: in doing your duty, you're doing yourself one of the biggest favors of your life!

For United States War Bonds are the greatest investment in the world—bar none. They're investments tailored to fit your particular situation. And they give you the chance of a lifetime to order and get the kind of world you want to live in after this war. Every cent you put in War Bonds now will help to guarantee plenty of peacetime jobs making peace-living for every one of us.

For your Country's sake—for your own sake—invest all you can!

There Are 7 Different Types of U. S. Government Securities—Choose the Ones Best Suited for You:

UNITED STATES WAR SAVINGS BONDS—SERIES E: The perfect investment for individual and family savings. Gives you back $4 for every $3 when the Bonds mature. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: $25, $50, $100, $500, $1000. Redemption: any time 60 days after issue date. Price: 75% of maturity value.

2½% TREASURY BONDS OF 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943; due June 15, 1969. Denominations: $500, $1000, $5000, $10,000, $100,000—also $1,000,000 if registered. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months notice. Subject to Federal taxes only. Price: par and accrued interest.

OTHER SECURITIES: Series "C" Tax Notes; 7-8% Certificates of Indebtedness; 2% Treasury Bonds of 1950-1952; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."
